PALOS VERDES ESTATES, CALIF.
#3

IF you had your choice, would you live in a city block similar to scores of thousands of other city blocks; or would you live in a place which has no duplicate in all the world... where your Inness and Turner are daily seen through your own home window... where your front yard reaches out to the South Sea Islands, westward to the Orient, and northward to the land of the midnight sun?

A hillside home at Palos Verdes Estates insures this unique setting for you.

The Protective Restrictions, always enforced by the Palos Verdes Homes Association and the Palos Verdes Art Jury, will preserve the beauty of the sea and landscapes.

I am one of a series telling the colorful story of Palos Verdes Estates.
Keep me—for you will want all of us when the story is finished.
